

Voters Will Ballot On High School Saturday

Church To Celebrate Anniversary

Antioch's Methodist church will observe its 80th anniversary with a dinner at 6:30 this week Thursday evening in Wesley hall and a special worship service at 11 a. m. Sunday, October 11.

Bishop J. Ralph Magee, bishop-retired of the Methodist church, Chicago area, will give the anniversary sermon Sunday morning.

Rev. Wallace Anderson, pastor of the local church, will be in charge of the service.

Organist will be Mabel Lou Dow

A list of former pastors of the Antioch Methodist church from 1897 to date, directory of the church's oldest members, a history of the church and a picture of the old Baptist church building in which first Methodist meetings were held, will be found on page 11 this week.

and there will be music by the church choir directed by Kenneth Smouse.

At the close of the anniversary service, a reception in honor of Bishop Magee will be held in Wesley hall to which all are invited to attend.

A special booklet commemorating the 80th anniversary of the church will be given to the people at the service. Pictures of present and old churches, a history, names of church officers, directory of oldest members and a list of past ministers are included.

The old church building was then the Baptist church and was located on a site just in back of the present structure. Methodist church meetings were held there before it was purchased in 1886 by the Methodist congregation.

The present building was erected in 1901 to replace the old church structure.

People who have been members of the local Methodist church for 35 years or more will be honored at this dinner.

Board Okays Decorations For Streets

Antioch chamber of commerce was given permission to erect "flower pots" on utility poles throughout the year and erection of six steel poles for stringing banners was approved when the Antioch village board met Tuesday evening at the village hall.

The flower pots with imitation flowers would be erected at varying heights on 16 poles. The contents would be changed with each season and the pots could be lighted at night.

Poles for the banners would be erected at three entrances to the village so banners advertising carnivals, fairs and the like could be strung across the street or highway.

The board also granted permission for a helicopter to land in the city parking lot and take off from there in connection with the Santa Claus visit early in December.

Edgar Simonsen told the trustees that his department of public works hoped to repaint Main street lines, clean catch basins and perhaps do some sidewalk repairs before winter started.

Specifications for continuing Anita St. from Depot St. to North Ave. were referred to the board's street committee for study and report at a later meeting.

Willow Dale dairy which was damaged heavily by fire a few weeks ago will not be granted a building permit until after the village board has approved, under a vote taken by the trustees Tuesday night.

The trustees passed a resolution of confidence in Mayor Cunningham, police commissioner Herman Holbek and police chief Walter Scott in connection with charges facing them in Lake county circuit court.

A village ordinance relating to no parking places within the city was passed.

Typing, Woodworking Classes for Adults

Classes for adults in typing and woodworking were organized at Antioch Township high school Monday evening when first registrations for these subjects were conducted.

Classes in woodworking will be held Monday and Wednesday evenings and in typing on Monday evenings.

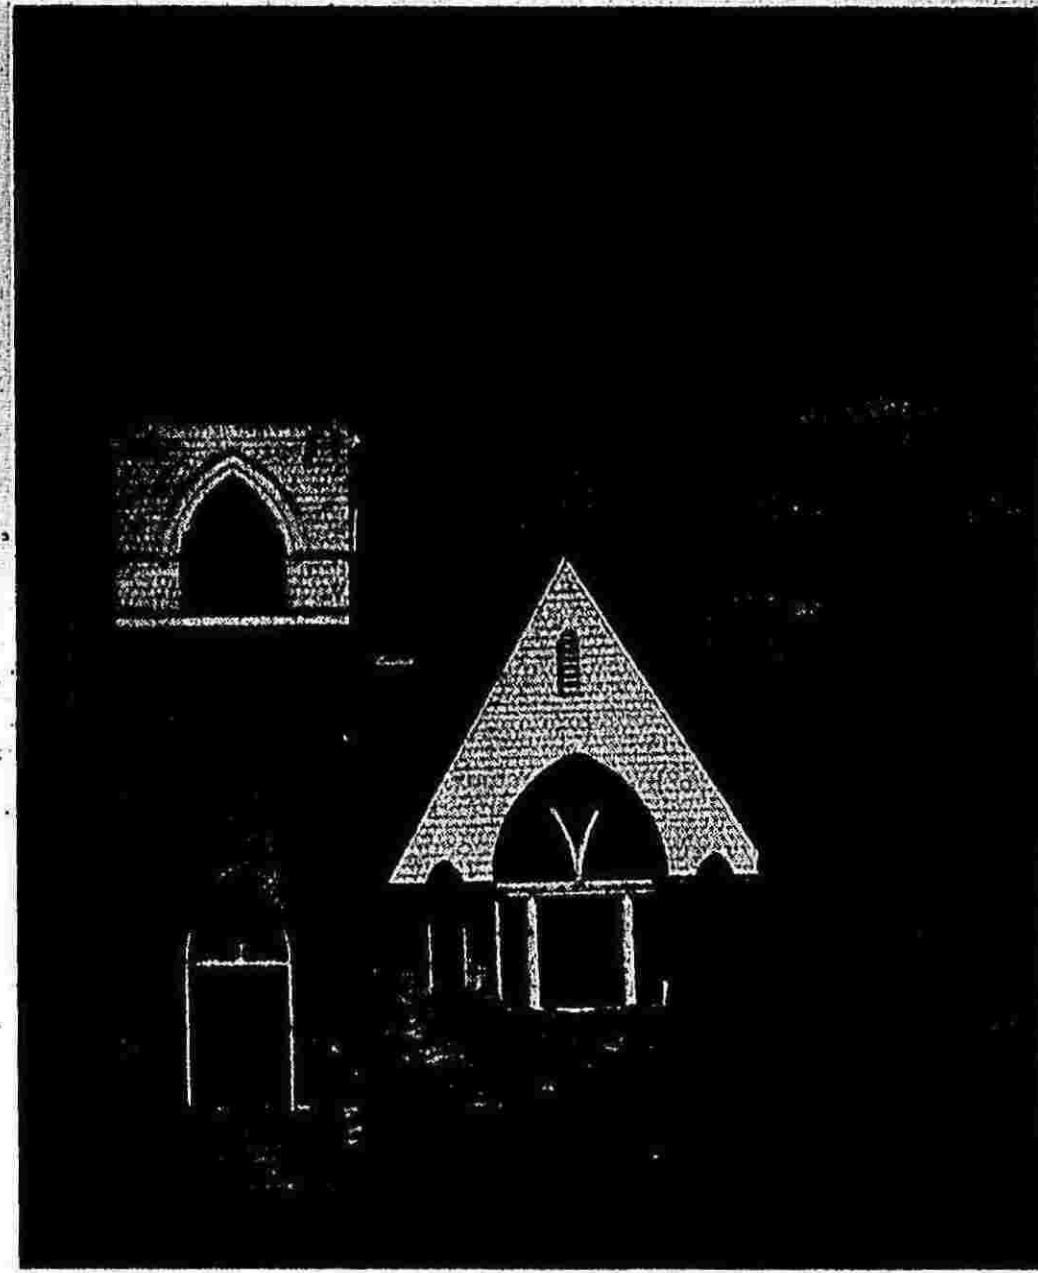

Those wishing to do so will have another opportunity to register for either class next week.

ANTIOCH, ILLINOIS THURSDAY, OCTOBER 8, 1959

VOL. LXXIV. Number 14

CELEBRATION SUNDAY. The Antioch Methodist church (shown above) will mark its 80th anniversary with a special service at 11 a. m. Sunday, Oct. 11. Bishop J. Ralph Magee, bishop-retired of the Methodist church, Chicago area, will give the anniversary sermon. Rev. Wallace Anderson, pastor of the local church, will conduct the services. Persons who have been members of the church here for 35 years or more will be recognized at an anniversary dinner at 6:30 p. m. Thursday, Oct. 8, in Wesley hall.

'Turn Back Pages' Theme For Homecoming Saturday

This year all the students of A.T.H.S. will be turning back the pages of time for the annual Homecoming activities.

Friday, October 9, at 8 p.m. there will be a bonfire and pep rally at the high school for students and the public. The pep rally will be conducted in front of the football stands by the cheerleaders, and the bonfire will follow in the area west of the bus garage.

Saturday morning at 10:30 the parade will leave the high school campus to go down Main Street, with floats, cars, and slogans centering around the theme, "Turn Back the Pages." As soon as the parade is over, the floats will be parked east of the boys' gym for football spectators to look at. Prizes will be awarded the best floats and cars in each division.

At 12:30 p.m. the frosh-soph game will take place against Grant, immediately followed by the varsity game. The Fighting Sequoits

will be trying to make up for last year's Homecoming game, in which the Grant Bulldogs defeated them 26-12.

The Homecoming Dance will be from 8:30 p.m. until 11:30 p.m. The King and Queen will be unknown until coronation time at 11:00.

Candidates for queen of the 1959 Homecoming are Pat Callahan, Sharon Gibbs and Sue Duha, all members of the senior class at Antioch Township high school.

The freshman, sophomore, and junior classes will each select one girl to serve as an attendant on the Queen's court. The senior class will select three girls, and the one receiving the greatest number of votes will reign as Queen.

The Homecoming King and two senior escorts will be chosen by the varsity seniors. The varsity juniors will pick the junior escort, and the sophomore and freshman football teams will each pick an escort for their respective classes.

Grass Lake Cub Scouts Plan Contest

Cub Scouts of Pack 80, Grass Lake, near Antioch, met for the first pack session of the new season Sept. 24 at their regular meeting place, the Grass Lake school.

Cubmaster Earl Beese extended a warm welcome to familiar faces and also to the new ones in the group. Then each Cub Scout introduced himself and his parents. After this the boys sang "Hello Parents."

"Cubmaster Beese announced the beginning of an achievement and participation contest to be climaxed by the awarding of a medal to the Cub Scout with the most points.

Points may be earned by attendance at meetings, wearing the uniform correctly, display of handicraft at pack meetings, etc.

The award will be presented at the Blue and Gold dinner in February. All the boys were urged to get to work and see how many points they can earn!

The correct uniform was then demonstrated, using a Cub Scout as a model.

(Cub Bob Murphy's face was slightly red when they got down to the loudly striped socks he was wearing instead of the official plain navy ones.)

During the divided meeting Jim Ferrier talked to parents and gave them preliminary information on the finance drive which is to be conducted on Oct. 25.

The meeting was closed by the singing of "Taps" by the boys. After this refreshments were served by Den 7, with Charlotte Queen in charge.

Opinions Differ On Bong Base Cancellation

SALEM, Wis.—Opinions varied this week on the effect of the cancellation of the Bong air base construction work.

Early opinions from southeastern Wisconsin people seemed to indicate the area would suffer greatly, particularly communities, firms planning related work and the like.

However, this week when a more calm view had been taken, there were some people saying that "after all this is a summer resort area" and an air base could create many problems.

Orders were handed down late last week by the air force abandoning construction on the multi-million dollar Bong air base which would have been located only a few miles north of Salem, Wis.

The air force explained that since the B-47 bomber no longer is being produced and the heavier B-58 is going out of service, the strategic air command is enabled to "reshuffle its forces."

Apparently the B-58 bombers will be stationed at other bases.

It was estimated \$15,000,000 had been spent on the Bong air base before work was ended late last week. The entire cost was expected to run \$80,000,000 and about \$60,000,000 had been appropriated.

More than 5,400 acres were involved in the Bong air base plans.

Church Bells To Ring
"Church Bells Will Ring" in Antioch and vicinity Saturday to remind voters to cast their ballots in the Antioch Township high school election that day. See story on page 13.

Innocent Pleas Entered By 6 Village Residents

WAUKEGAN—Three Antioch city officials and three tavern people of that community pleaded innocent to grand jury charges when they appeared in Lake County circuit court here Wednesday morning.

Mayor Murrill W. Cunningham, police chief Walter Scott and police commissioner Herman Holbek were indicted recently for "palpable omission of duty" by the Lake county grand jury.

Also indicted were three Antioch tavern people, Russell Holtz of Bud's tavern, James Fields, operator of Bussie's tavern, and Thomas Griffin, all of Antioch.

ALL SIX requested a change of venue from Judge Edward M. Decker's court and from Judge William Carroll's court.

Judge Decker continued the arraignment hearing until next Wednesday morning, Oct. 14, at 9:30.

He also continued the \$2,000 bonds for each of the Antioch village officials and \$2,500 each for the three tavern men.

The judge also indicated he would grant the change of venue at the arraignment next Wednesday.

The tavern men were indicted by the grand jury for bookmaking.

ROBERT NELSON and James O'Connell, both of Libertyville, are attorneys representing the Antioch city officials.

The other three Antioch residents are being represented by Attorney Frank Whelan of Chicago.

All six appeared in Judge Decker's court last week Wednesday and their arraignment had been continued until this week.

Tuesday evening the Antioch village board approved a vote of confidence in the three city officials in a resolution they passed.

Sheriff's officers said that cottages owned by Edward L. Lembitz of Clarendon Hills and Robert Brieskom of Blue Island were broken into.

Officers indicated they were working on some leads to the persons involved in the break-ins.

Last Thursday a summer home on Drexel Blvd. at Indian Point west of Antioch was damaged by fire. Loss was estimated by fire chief Simonsen at \$3,000. He said the 6-room place belonged to R. Harris.

Polls Will Open From Noon To 8; Interest Is High

Antioch Township high school district citizens will vote Saturday at three places in the area on whether the district should spend \$1,895,000 for construction, buying site and equipping a new building to be located at the junction of the Loon Lake and Deep Lake roads.

Polls will be open from noon to 8 p. m. at the high school building in Antioch, at the Lake Villa grade school and at the B. J. Hooper grade school at Lindenhurst.

This week the Lake County Civic league in summing up its views on the matter said:

"In view of the inflationary trend of rising costs the taxpayer should give this proposal careful consideration."

"This proposal appears to be the best possible solution at the present based on currently known facts."

"However, individual voters should study the facts and indicate their opinion by voting Saturday, October 10."

THE LEAGUE said "approval given to build a new high school could mean an increase in the 1961 tax bill of \$26.90 on a home assessed for tax purposes at \$10,000."

"Over the life of the bond issue, the approval could mean an average increase of \$26.30 in property tax bills (per year)."

These estimates are based upon estimated assessment growth of \$3,000,000 a year and the sale of bonds at 3 3/4 per cent. interest rate.

"We feel the proposed debt retirement is planned in the best interests of the taxpayers," the league went on to say, "since it would reduce the hidden costs—interest charges which are necessary when borrowing money."

"It also recaptures bonding power more quickly for future school needs."

A new high school of 39 rooms or areas totaling about 113,000 square feet would be constructed initially at a cost of \$14 per square foot. This would provide classrooms for 900 students plus service areas capable of accommodating 1,500 to 1,800 students as the enrollment grows.

The league said "it would only be necessary to add more classrooms (a cheaper form of construction) at a later date to fully accommodate 1,500 to 1,800 (students)."

Referring to the suggestion that an addition might be built to the present building, the league said:

"This solution would not solve the long term growth problem and in fact would make the eventual necessity of moving at least part of the school's program to another site more expensive and difficult."

"This is especially true when the advantageous price (\$500 per acre) of the land acquisition is considered. This price probably will never be available again."

The school would be built on a 50 acre site centrally located in the school district. The amount of the bond issue upon which people will ballot Saturday has increased \$110,000 over the amount asked last May.

It has been pointed out by the high school board that the cost of the land, labor and materials has risen in that time.

The new structure would house five English classrooms, four social studies, three math, two foreign languages and one each for biology, physics, science lab, art, business

(continued on page 5)

Wilmot Bonds Voted Down

WILMOT, Wis.—Citizens in the Union Free high school district last Saturday voted down a proposed bond issue of \$300,000 to finance construction of an addition to the school building located at Wilmot.

The vote was 311 in favor of the bonds and 585 opposed.

As of Tuesday the school board had taken no further action on the project.

Residents of Twin Lakes, Silver Lake village, all of Randall township and parts of Wheatland and Salem townships took part in the voting.

Voting took place in the high school building.

Salem Township Folk Select New Officers

SALEM, Wis.—Directors were elected for the coming year when the Salem Township association of Subdivision residents met Sunday, Oct. 4, at the Lake Shangri-la community house.

Named were Richard Nuytens, Center Lake Woods; Hans Mauerhoff, Camp Lake Gardens; C. E. Lovewell, Voltz Lake; Elmer Kosick, Voltz Lake; Gilbert Elsfeldes, Lake Shangri-la Woodlands; Edith Roselius, Fox River Dells; Joseph Gudjonis, Lake Shangri-la.

By unanimous vote Elsfeldes was named president, Lovewell, vice president; Mauerhoff, treasurer; Roselius, secretary.

DEAR READER News Editorials

Express Yourself By Your Vote

Voting should be a pleasure. It IS a privilege. One that was won many years ago by such experiences as recorded historically at Lexington, Concord, and Bunker Hill.

Representation was the keynote of the struggle of Colonial America against a tyrannical monarch.

Today, the enemy is a common one, not dangerous in a bodily sense but extremely so in attitude.

A non-caring public can court disaster financially and morally. It is our God-given right as free Americans to exercise the heritage of freedom by expressing our likes and dislikes at the polls.

It costs nothing to vote in dollars and cents but it may well cost far more if you don't.

Sometimes an individual assumes a wrong attitude. He or she often says "Oh, I'm just one, it won't make any difference which way I vote in the final outcome." Oh, but it does. It is those single votes, one by one, when tallied, that make for the final accounting.

And, these little elections! They may seem small matters to the uninitiated or the uninformed but local issues and matters must be decided, and elections have been chosen as the manner in which it is done.

It is the American way, no one can dictate to you how you cast your vote. It isn't anyone else's business but yours. But it certainly is your right if you are a qualified voter to make your decision felt in the community in which you reside.

We're having an election Saturday. It is a question dealing with the Schools that must educate our own youngsters. It deals with the future as well as the present. It is an important matter. There is much information available on the issue, both for and against. Find out for yourself. Make up your own mind. But use that American heritage of freedom of expression. **VOTE**

October 8, 1959

Dear Editor:

Printer's ink is being used by the galleys by our local publications to tell the story about the forthcoming high school referendum and the voters are being presented with a mass of confusing and contradictory information regarding it.

The real disagreement is not whether we need more space to house the increasing high school but where to build this space.

Who is in the best position to answer such a question and to whom is most readily available all the factual information on which to base such a decision?

The answer must be the Antioch Township high school board of education. If they do not have the confidence of the voters who elected them then these same voters have done them a disservice to ask them to serve in such an important capacity and, incidentally, at no salary.

Public apathy is discouraging enough in itself, but to add to that an attitude of mistrust gives many otherwise conscientious citizens reason enough to decline to serve a community when invited to do so.

The man on the street is certainly entitled to be heard but he should not speak with authority unless he is sincerely convinced that he is in fact better informed on the issues than those board members who in the final analysis must bear the responsibility for any decisions they make.

Helen W. Kopriva

DEAR EDITOR:

At this time there is much talk over the fact that we need more room in our high school for the incoming students. There are not enough classrooms or enough teachers or enough equipment.

I don't believe the only answer to these questions is to spend a lot of money and erect a large lavish school. Since we do need the equipment and space, why do we allow the facilities we now have to stand idle three months of the year?

No large company puts out a lot of money to build a large factory and then lets it stand idle for three months and then when they find this does not fill their needs, build another factory so that can stand idle part time too.

Because schools have always been

(Editor's Note: Due to the widespread interest in the question of whether to build a new high school building near Antioch, the Antioch News is publishing this letter in its entirety. The normal rule is to limit published letters to 300 words.)

DEAR EDITOR:

Let us face a few facts together on our high school situation.

STOP RIGHT NOW.

I'm speaking to you that have your minds set against the referendum as you won't understand this. I feel very strongly that some of us are letting personal grudges, the fear of losing an "almighty dollar" and refusing—even if some have had personal invitations—to attend the meetings where one can really find out the true facts.

Instead we listen to others who are ignorant of the situation, though they talk as if they know it all.

How much time have these people spent on studying the situation? Very little, nor have they attended any of the meetings.

Do some of you know and realize the hours of study, not only by the local people, but men brought in that are trained to do nothing but study school situations and building problems?

If you are ill or break any bones, do you go to just anybody for help? No, of course not.

BUT THAT IS the way you are doing when you disregard the advice and outcome of all the study that went into the plans for our new school.

We don't like to consider this, do we?

Another phase which we should consider is letting sentimentality interfere with our seeing the situation as it really is. Yes, it WAS my school, but the education of our young people is more important to me than just keeping it here as my "Dear Antioch Township High School."

One of the most ridiculous excuses I've heard is—"Well, when I went to school, we didn't have all the fancy gim-cracks and I don't see why they have to spend our money for all this extra stuff, as I did all right."

If you really feel that way, how about doing away with all of your modern gadgets in your home, such as modern stoves, deep freezers, TV sets, radios, automatic washers and dryers, and get a car of the 19's, 20's or 30's?

You think about it. I know what you're thinking—well that is the way I feel about such ideas in connection with our schools.

I WONDER HOW many of you really know what we have in our high school today. Go to visit and see for yourself.

You would truly be amazed, as

run on the principle of nine months school and three months off is no reason it must always be so. Circumstances change and we must change with them.

There is more than one solution to every problem and more money and higher taxes are not the only answer to the problem of better schools.

There is no reason why a system where the school is run full time cannot be devised. Each student would still attend the same amount of time and there would be fewer of them there at one time.

In this way there would be more space for the same activities. By the same token there would be fewer children running loose all at one time looking for something to do.

Also the teachers want more money. If they were not laid off for three months of the year and forced to find other means of income during that time, they could earn the money they need doing the thing they are trained to do best.

If the children attended classes for 12 weeks and were off for four, there would be one-third less students attending school at one time. There would be short refresher vacations during the year and not one long tiresome one.

The slow students could put in an extra week with the following class if necessary to catch up on work and still keep up with their class. The quicker ones could advance accordingly.

In this way we have the much needed extra attention some students need with no extra cost or teachers.

There are a few things that would have to be done to make the school usable year round. Air conditioning is one, but air conditioning the school is much cheaper than building a new one.

Two weeks during the summer and two weeks over the Christmas vacation everyone would be off and painting and maintenance work done.

Many colleges and other schools are trying this new system and finding it works well. We too could move along with progress and make better use of what we now have.

Mrs. Ruth Goetz
Box 286, Rt. 1
Antioch, Ill.

our school has made great strides ahead. We have a fine faculty as a whole, the discipline is better than it's been for years, the attitude of the students is good; the whole atmosphere is good.

If you don't care about these things, then vote the referendum down. Let's put in the split shift and say nothing about losing some of our fine faculty.

Remember that nothing stands still. You either go ahead or go backward.

Where do you want our education program to go—ahead or backward?

Build over the tracks some say—and yes, those same people talked against Oakland for building in a slough. What do we have over the tracks—a small athletic field, slough, oh yes, the village dump isn't very far either.

OTHERS SAY add on to the old—Do away with the parking lot. But who uses it the most?

Not the students, but you use it when you attend the games and activities of the high school. I can just hear the complaints you would make if you had to park one, two or more blocks away from the school, especially in the rain or snow.

Come on now, 'fess up. You wouldn't like it, would you?

How can you enlarge the corridors of the old building without a terrific expense? Face it—some of you alums:

They were narrow when we were in school and over-crowded at times. So consider what a problem this is now.

Have any of you ever stopped to consider or look into some of the other schools in the surrounding areas?

Grant—a mile and a half out. And where did Grayslake put their school? Outside of town. Salem Central—it is way out.

Are these and all others wrong in building out where they have plenty of room, away from the congested areas, for expansion, athletics, etc., and we are the only ones right to build on so we can keep our school within our dear village limits and then go through the same problem again in a few years?

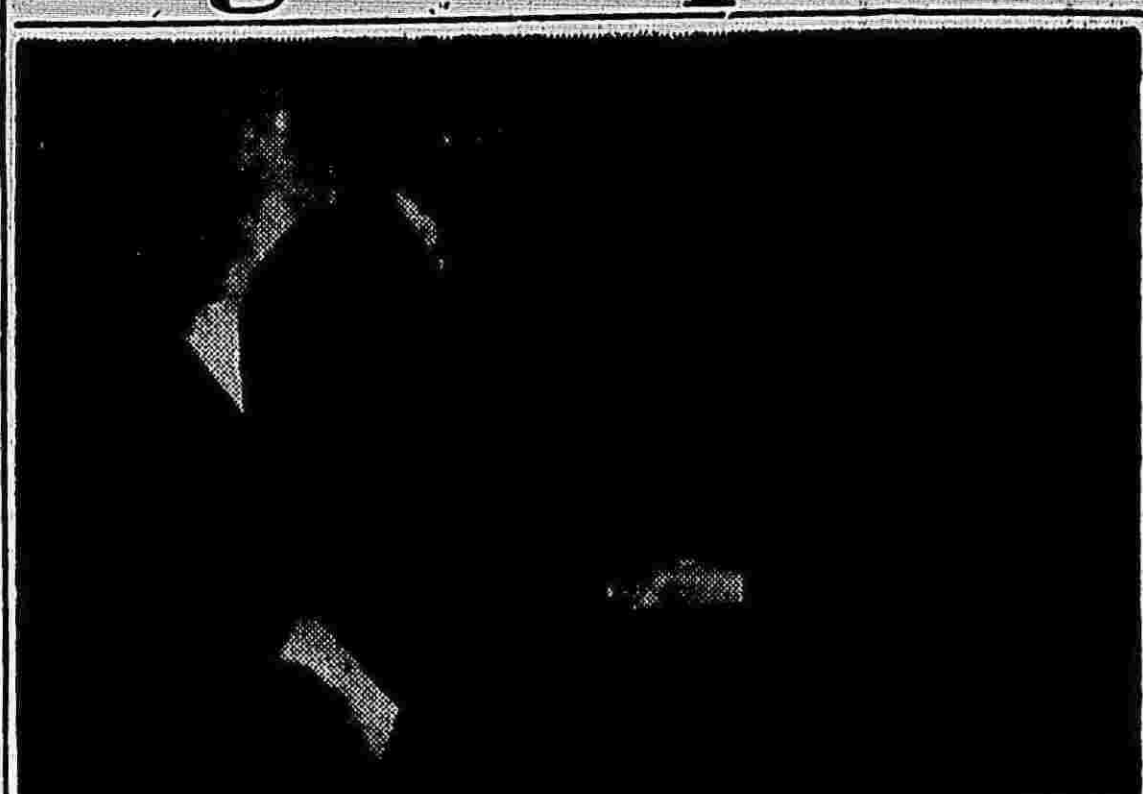

HOW WOULD YOU like to act as a savings bank for Lake Villa? Go ahead build on, then when the time comes for Lake Villa to pull out, which they will surely do in such a set up, dig down in your pockets as you will have to hand over some money to Lake Villa for their part in it.

I bet you hadn't thought of this. It looks as if Lake Villa is a community that is progressive and looking ahead.

They realize that much more can be offered academically to students as well as being able to afford a much better faculty in one large school system than in two small

High School Board Explains View On Construction of New Building

To the Voters of High School District No. 117:

(Last) weeks Antioch Advertiser carried a front page ad sponsored and financed by 24 Antioch residents, and contained some misstatements of fact which need clarification:

1. Our enrollment today is 715, surpassing an estimate made in 1950 by T. R. Birkhead, administrator at that time. The Board is not claiming a state of emergency at present, but in September, 1961, the earliest possible date that a new building could be ready our enrollment will be 941, and will constitute an emergency.

2. We say our reports to the County Supt. of Schools are available for inspection in the High School office and show an average daily attendance of 594.22, and is in direct conflict to the 566.52 reported.

However, we also feel that we, as a Board, would be remiss in our obligations if the High School could not actually house the total enrollment on any given day or year. Our top enrollment figure last year was 690.

3. Gilbert Johnson of Rockford, Illinois, a very well qualified architect, has assured us that a sewage disposal system and water system can be installed for \$41,500 OR LESS, and would be adequate to take care of at least 2000 students.

4. This bond issue has been planned to INCLUDE \$105,000 earmarked for equipment, and a building to house 900 students when the doors are opened, with special facilities such as cafeteria, library, study hall, and music department to house 1800.

Also we would like to point out that equipment is usually included in Bond issues, and the procedure is legal in every respect. It has been approved by Chapman and Cutler, recognized authorities in the bonding field.

The fifth question is not quite clear, but the Board certainly feels that operational costs will rise with additional enrollments, but so will our assessed valuations increase with new buildings. Therefore, we say that these costs must be incurred no matter where the children are housed.

6. A recent study by the Citizens' Advisory Committee and Board of Education indicates that the educational needs of both Lake Villa and Antioch will be better served financially by remaining united.

Articles in the Chicago Tribune and Waukegan News-Sun in the past week quote both State Supt. of Public Instruction Wilkins and County Supt. of Schools Petty as agreed that the trend in education should be toward larger districts.

7. The 1952 addition to the High School was built to house 350 children at a cost in excess of \$700,000. Costs have risen considerably since that time and yet it is maintained that we can build another similar addition for less money now. This we feel is most unreasonable.

According to all authorities advising the Board, the tax rate increase over the bond retirement period should not result in a greater amount than a \$2.63 per thousand assessed valuation. Mr. Norman Jede, Certified Public Accountant, and High School auditor states that in his opinion the increase will not go over 2.25 per \$1000.

ones. If you will only think about this a while you will see how right they are.

This average attendance business doesn't mean a thing if you will only study about it.

Say you are planning a dinner for some particular group that you belong to. You ask all those coming to sign up for it. Do you then take the average attendance—of course not.

You plan for a few more than actually signed up. Well, if you have 800 students sign up for school you have to have a place for each one of them for every period of the day which includes room for them in the cafeteria, library, gym and also lockers for them as there will be days when most of them will be there.

Face it, you have to count the total enrollment.

Do you tell your neighbor next door what they are going to do one year, ten years hence? Why no, of course not!

Well, I've never seen a group that has worked so hard at telling another community what they are going to do as you have been doing with Lake Villa.

Don't you know that they are in this too, and their taxes will be paying for this school as well as yours? You don't seem to want to look at this side of it, do you?

I think it is about time we did think about it and consider it. How would Lake Villa pull out if it's built in their township? It just doesn't make sense, does it?

DID YOU KNOW that there is a state law requiring that the cost of

equipment be included in the referendum and that it is included in our \$1,895,000 bond issue?

This is a fact and don't let anyone tell you differently. This law had not been passed back in 1950.

In working with students and other contacts I have had with them, I have been in a position to watch the improvements over the past few years in their attitudes toward school, studies, activities, faculty and administration.

This year has topped all, believe me, and it is truly wonderful to see and hear. Do we want this to continue? Why, sure we do, you say.

Don't you think the young people deserve a good education? How about giving them a break and showing them we are back of them, saying nothing of our fine faculty and administration which is responsible, which you should know, for these improvements and strides ahead?

Don't you think it's about time we really got behind this?

Don't you want to be able to face your children and your neighbor's children with a clear conscience, letting them know that you are interested in going ahead for better schools and educational programs?

How you have attended the meetings and how you will vote will tell the young people what is most important to you—the "almighty dollar" or their education.

They copy YOU in what you value most. Let's show our young people that we are for them by putting this referendum through.

Sincerely yours,

Betty Lu Williams
800 N. Main Antioch

Miss Mary E. Shepard Is Married In Ceremony at Methodist Church

The wedding of Miss Mary Elizabeth Shepard, daughter of Mr. and Mrs. H. E. Shepard, 415 Harden St., Antioch, and William F. Terry, son of Mr. and Mrs. William Terry of Chicago, took place the evening of September 26 at the Antioch Methodist church.

The Rev. Wallace Anderson officiated at the double ring ceremony in a setting of white chrysanthemums and white gladioli.

The bride, given in marriage by her father, chose for her wedding a gown of ivory satin fashioned with a sweetheart neckline, shirred sleeves and fitted bodice, complemented by a full skirt, falling into a court train. A pearl crown secured her fingertip veil and she carried a cascade bouquet of gladioli.

Miss Lila Ann Warren of Kansas City, Mo., was maid of honor and Miss Sylvia Kay Evott of Munster, Ind., served as bridesmaid. Miss Jane Jernigan, Little Rock, Ark., and Miss Jill Gaston of Antioch were candle lighters. They all wore ballerina length dresses of sage green silk peau de soie with dark green velvet sashes. Their headbands of dark green velvet had sage green tulle veils. They carried American Beauty roses.

Howard E. Shepard, brother of the bride was best man, Lt. Dick Starman, Joliet, also was the groom's attendant. John Cushman, U. of Ill., Walter H. Shepard, brother of the bride and William E. Barnstable of Antioch served as ushers. Special music was provided by Mrs. Lawrence Ward of Milan, Mich., the groom's aunt, who sang "O, Perfect Love" and "The Lord's Prayer."

A reception was held following the ceremony in Wesley Hall.

The bride's mother wore a sapphire blue ensemble with matching hat and accessories. Her flowers were gardenias. The bridegroom's mother was attired in a blue crepe and lace gown with matching accessories. Her flowers were gardenias.

The bride is a graduate of Antioch Township high school and of William Woods college at Fulton, Mo. The groom is also a graduate of Antioch Township high school and of the University of Illinois and is a member of Theta Chi.

After a short wedding trip the couple will leave for San Antonio, Texas, where Mr. Terry will report for active duty with the U. S. Air Force.

Smorgasbord Slated At School Saturday

An "All You Can Eat" smorgasbord is being held from 5-8 p.m. Saturday at the Antioch grade school and sponsored by the PTA.

Ways and means committee members planning it are Mrs. John Effinger, Mrs. Clarence Gibbons and Mrs. Jesse Close. They will be assisted in the kitchen by Mrs. John W. Horan and Mrs. Laddie Masek.

Mrs. William Mongan is in charge of dining room arrangements. Tickets are being handled by Mrs. James Bruski and Mrs. Robert Jonas. Games for the children are being planned by Mrs. Jack Crandall and Mrs. Harry Smith.

There will be special prices for children accompanied by their parents.

This is the only money making event the PTA will sponsor during the school year, according to its president, Mrs. Frank Kuechenmeister.

Green Thumbers Meet

The next meeting of the Green Thumbers will be Monday, Oct. 12. Members will meet at the home of Mrs. Earl Hayes at 9:30 a.m. and will go from there on a field trip to Petrified Springs at Racine.

In case of bad weather, the meeting will be at Mrs. Louis Biel's home at Channel Lake Shores at 1 p.m. the same day.

Antioch Homemakers

Twenty-three members of the Antioch Homemakers were entertained recently with a buffet luncheon at the home of Mrs. Fred Bremer, Little Silver Lake.

Mrs. Harry Dowell and Mrs. Louis Pohl were co-hostesses. After a report by Mrs. Clarence Spiering on the cancer pads, which is the project of the club, the ladies enjoyed an afternoon of cards.

2 Enroll At College

Ronald Mack, son of Mr. and Mrs. Joseph Mack of Box 155, Lake Villa, and Arthur Wollpert, son of Mr. and Mrs. Arthur Wollpert, R.R. No. 2, Box 92, Antioch, both graduates of Antioch Township High School, enrolled recently at Kendall college, a self-help, liberal arts, Methodist junior college in Evanston.

LV Women to Meet

LAKE VILLA—The Lake Villa Women's club will meet at 8 p.m. Wednesday, Oct. 14, at the village hall with a demonstration on ceramics scheduled on the program.

All women living in the Lake Villa community are invited to attend, officers said.

Class Scheduled

Miss Eileen Dietz, teacher of clothing at Central high school, Salem, Wis., will conduct a class of instruction this (Thursday) evening at 7:30 in the school.

This short course will include selections of pattern and material, and any adults interested are invited to attend.

MR. AND MRS. WILLIAM TERRY

Woman's Club Enjoys Luncheon

Smart's Country house was the setting for the opening meeting of the Antioch Woman's club on Monday afternoon Oct. 5.

Over 80 members and guests enjoyed a buffet luncheon and were delighted with the program presented by Jeanette Elliott, "The Mad Hatter".

An advertising executive in public relations, hat making and hat buying became her hobby many years ago.

Mrs. Elliott's advice "To keep the mind busy, the heart busy and the hands busy, will never let you feel sorry for yourself", concluded her showing of hats of yesteryear and today.

Hostesses for the meeting were the new officers: The Mesdames William Brook, Irving Elms, Norman Jede, Clarence Kufalk, Fred May and Ted Larson.

Attends Convention

Dr. W. A. Biron, Antioch chiropractor, attended the 33rd semi-annual convention of the Illinois Chiropractic society Oct. 3 and 4 at the Leland hotel in Springfield.

Dr. Earl G. Liss, president of the National Chiropractic Association, presented grants of \$48,000 to chiropractic colleges to further educational facilities and research.

Esther Circle Meet

The first meeting of the Esther circle of the Methodist church W. S. C. S. for the 1959-60 season will be held at 8 p.m. Oct. 14 at the home of Mrs. Nason Sibley, Bluff Lake.

President Lillian Hand is hoping for a good attendance at this meeting.

Bazaar Is Success

Antioch chapter, Order of the Eastern Star, reported this week that its bazaar and dinner of last Saturday were "very successful."

The chapter expressed its thanks to all who attended and cooperated in putting on this event.

Next meeting of the chapter has been scheduled for this evening (Thursday), Oct. 8.

WCSA Hears Speaker

Mrs. Alvin Wilson spoke on the topic "The United Nations" when the Women's Society of Christian Service of the Antioch Methodist church met this week Wednesday afternoon in the church.

Mrs. L. C. Scott and Mrs. John Quinn were circle leaders.

CARD OF THANKS
I wish in this way to express sincere thanks to my former pupils at ATHS for their wonderful gift. It is certainly the biggest apple they ever brought to teacher! I am deeply grateful for the present pleasures and for the security for the future.
Alice E. Smith

Rainbow Meeting Slated Monday

The Antioch Assembly of Rainbow Girls will meet at 7:30 p.m. Monday, Oct. 12, at the Masonic temple for initiation and to plan for the visit of the grand worthy advisor scheduled here Oct. 23.

Sue Bloom and Carol Frasier will be initiated into the order and Nancy Erickson will be voted upon to receive the degree. She would be initiated later.

Worthy advisor Nancy Scott and her line officers will complete plans for the official visit of Miss Claudia Rae Keefe, grand worthy advisor, who will be entertained Oct. 23 in Wesley hall.

Reports will be heard next Monday on visiting other assemblies and also on the candy sale held in connection with the Eastern Star chapter's bazaar last Saturday.

Girls are reminded to bring their articles for the charity box and 50 cents for refreshments.

Nancy Scott, Pat Crown and Randy Gordon, accompanied by Mrs. Jeanette Brown, attended the Millburn Rainbow Assembly installation on Oct. 4.

Moose Topics

Robert Avery, Walter Good, Leonard Case, Lester Palmer and Lester Nelson were delegates from the local Moose lodge to the Moose convention held in Peoria.

After the fellowship breakfast, Good was put into the fellowship with the ceremonial being performed by the Pilgrims of the Moose.

The Legion of the Moose had a ceremonial and chicken dinner Sunday, Oct. 4, at the Waukegan Moose lodge. Among those initiated into the Legion were Arthur Anderson and Allen Erickson.

Seven members of the Antioch lodge were present and several of them brought along their wives.

The ceremonial was performed by the Legion of Moose ritual team.

SUE DUHA

PAT CALLAHAN

SHARON GIBBS

CANDIDATES for the 1959 Homecoming queen at Antioch Township high school this Saturday are shown here. Miss Duha is a member of GAA, student council, band, Sequola (yearbook) staff and is a cheerleader. Miss Gibbs is a cheer leader, in girls glee club, A/Copella choir, GAA and in junior class play. She has been head cheerleader. Miss Callahan is a member of the GAA, FHA, Sequola staff, senior choir and is treasurer of the senior class. All three are seniors.

Jackson, Cousin Visit Wisconsin

By Mrs. Anna Lyons
Solon Mills Correspondent

Lyle Jackson and a cousin left last week for a week's vacation in northern Wisconsin to enjoy the fall scenery. They got as far as the shores of Lake Superior and both contracted such a cold they started right back home. But they enjoyed the beautiful colors of the different trees coming back.

Mr. and Mrs. Harold Kraposky of Burlington, Wis., visited Mrs.

Kraposky's sister, Mrs. Arthur Krohn, over the weekend.

Local high school boys and girls came home all smiles Friday night after winning their second football game. They beat Hebron by a large score.

Mr. and Mrs. John Knutson of Black River Falls, Wis., spent last week with Mr. and Mrs. Ed Lyons. They also visited at Crystal Lake and Algonquin with old neighbors and friends. They lived at Crystal Lake at one time. Mrs. Knutson is a sister of Ed Lyons.

Mrs. Alfred Parker entertained her two sisters from Chicago over the weekend.

Mrs. Joe London has been fighting a bad cold, but is better at this writing.

DEATH NOTICES

CHARLES MARTIN

Funeral services for Charles Martin, 77, of Lake Villa who died Saturday at his home on highway 21 south of Grand ave. were held Monday afternoon at Strang's funeral home in Antioch.

Rev. Edmund Hood of St. Ignace's Episcopal church officiated. Burial was in Angola cemetery at Lake Villa.

Mr. Martin was born on February 23, 1882 at Middlezey, Somersetshire, England, coming to the United States in 1903 to settle at Lake Villa. He had lived there the rest of his life.

He was married to Anna Plotz on Sept. 29, 1910 in Chicago. He was a retired farmer.

Surviving are the widow, Anna; one son, Gordon Martin of Lake Villa; a sister, Emily, in England; three grandchildren and four great grandchildren.

RAYMOND T. MEYER

Final rites for Raymond T. Meyer, 53, of Channel Lake who died last Friday at a Waukegan hospital of a heart ailment, were held Monday afternoon at Strang Funeral home, Antioch.

Rev. Wallace Anderson, pastor of the Antioch Methodist church, officiated. Burial was in Liberty cemetery.

Mr. Meyer was born June 6, 1906 in Chicago, moving to Elmwood Park in 1939 and to Antioch in 1951. He had been coming out here for summers for 39 years.

He had been proprietor of Meyer's grocery since 1951.

Surviving are the widow, Ann.; two sons, Richard and Jack, both of Channel Lake, and a granddaughter, Cathleen Meyer.

His father, Theodore H., died in 1953 and his mother, Mary, in April 1959.

Voters Will Ballot..

(continued from page 1)

machines, shorthand, chemistry, cooking, sewing, band and also choral, typing, bookkeeping, gymnasium, faculty lounge, administration, boiler plant, combination music storage, office practice room, art handicraft, wood shop, metal shop, drafting, electric shop, library, study hall and cafeteria-multi-purpose.

Of the \$1,895,000, \$1,590,400 would be spent on the building, \$25,000 for the site, \$44,000 for site improvement, \$105,000 for equipment, \$101,400 architect's fee, \$18,900 for bond fees resolution, \$9,400 for consulting service and \$900 for surveying.

Instruments Bought For School's Band

The Band Parents organization of the Antioch Community grade school has purchased a cornet and a French horn for the band boys and girls and eight new uniforms will be bought for them.

This was announced at a meeting of the Band Parents Tuesday evening at the school.

Oakland School PTA Plans Book Program

Harlan Ware, fifth grade teacher, will be in charge of the November meeting of the Oakland grade school PTA, it was announced at the group's session this week Monday evening.

Mrs. O. W. Turner, program chairman, said that his program will be on books, since it will be National Book week. Mrs. Turner also discussed other future PTA meeting programs.

Mrs. Homer White, president of the PTA, discussed the charter and informed the parents who the room mothers were and duties of each. Room count was taken that showed 95 persons present.

Parents then sang "School Days" and later went to rooms of their children for discussions with the teachers.

Refreshments were served by mothers of the seventh graders.

Troop 92 Camps Out

A weekend camping trip of the Boy Scouts of Troop 92, Antioch, was held at Wilmet gravel pits last Friday, Saturday and Sunday.

The outing was enjoyed by Chuck Groeninger, Pat Mongan, Neal Taylor, Jim Edwards, Frank Semanski, Jim Lonson, Andy Worsley, Jay Bruski, Clem Haley, Lowell Gier, Clair Groeninger, Mike Haley and Jim Horton.

Moose Lodge News

The bus trip to Mooseheart on Oct. 14 has been changed to Oct. 21. Bus will leave from Mary's restaurant at 9 a. m. Anyone interested please call 240-W1 or 2351.

Officers of Antioch Chapter No. 735 that attended the state conference of the Women of the Moose at Peoria were junior graduate regent, Mae Palmer, senior regent Jane Verkest, junior regent Gertrude Good, chaplain Emogene Case, recorder Evelyn Erickson.

Reports of this conference will not be given until the November business meeting, as the Oct. 15 business session will be Star Recorder Chapter night, and also enrollment.

College of Regents Blanche Horton also attended the conference.

COUNTY ZONING NOTICE

STATE OF ILLINOIS ss.

COUNTY OF LAKE

TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given
to all persons in the Town of Anti-
och, Lake County, Illinois, that a
public hearing will be held on Oc-
tober 29, 1959 at 1:30 P.M., in the Vil-
lage Hall, Antioch, Ill., relative to a
proposal to vary the terms of the
Lake County Zoning Ordinance, or to
reclassify by amendment thereto,
from the F-Farming District, to the
4-R Residential District, the follow-
ing described real estate, to-wit:

Lubkeman Manor, being a sub-
division of the East 190 feet of the
West 520 feet of the South 264 feet
of Gov. Lot 1 of the West half of
frac. Sec. 5, Twp. 46 N., R. 10, East
of the 3rd P. M., in Lake County,
Illinois.

As a result of the petition of
ARTHUR C. LUBKEMAN AND

ROSE H. LUBKEMAN, which peti-
tion is on file and available for ex-
amination in the office of the be-
low named Board, Court House,
Waukegan, Illinois.
All persons interested are invited
to attend said hearing and be heard.
LAKE COUNTY ZONING BOARD
OF APPEALS
Samuel J. Sorenson
Chairman
Dated at Waukegan, Illinois, this
8th day of October, 1959.

PUBLIC NOTICE

Is hereby given that the Stock-
holders of the State Bank of Anti-
och, Illinois have adopted the
changes of organization stated in
the following resolution:

RESOLVED, that the capital
stock of the State Bank of Antioch
be increased from \$150,000.00 to
\$200,000.00 by the sale of \$50,000.00
of \$100.00 par value common stock;
said stock to be offered to the
stockholders of record of June 18,
1959 on the basis of one new share
for each three shares held on that
date at a price of \$100.00 per share.

RESOLVED FURTHER, that the
offering to the stockholders of
record on June 18, 1959 be held
open, and notice given to all stock-
holders of this fact, until 12:00
o'clock noon Central Daylight Sav-
ing Time on August 1, 1959.

RESOLVED FURTHER, to in-
crease the number of shares of
common stock from 1,500 shares to
2,000 shares.

RESOLVED FURTHER, to ratify
the action of the Board of Direc-
tors taken at a meeting duly held
on the 19th day of March 1959.

RESOLVED FURTHER, to au-
thorize and direct the Board of Di-
rectors and officers to do all nec-
essary acts to carry out changes
authorized by the stockholders and
authorizing and empowering the
Board of Directors and officers to
amend the by-laws and charter to
conform thereto.

All statutory requirements hav-
ing been complied with, aforesaid
changes became legally effective
October 6, 1959.

Social Security
Taxes Explained

There is no age limit on social
security taxes! Whether you are
six, 60 or 160 years old the tax must
be paid on any wages earned in jobs
covered by social security.

Many people think they do not
have to pay the tax after they are
receiving benefits, or after they are
65, or 72.

The social security law provides
a tax on wages paid for work per-
formed in most jobs. Another tax
is on the employer's payroll. There
is also a tax on the net profit of
operating most businesses.

Money raised by these taxes goes
into a trust fund used to pay benefits
to qualified, retired workers at age
65 (62 for women) who restrict their
earnings to \$1200 a year.

Beneficiaries who earn over \$1200
may lose one benefit check for each
\$80, or fraction, earned in excess of
\$1200.

However, benefits must be paid
for any month the beneficiary
earned \$100 or less (\$80 or less be-
fore 1959), or was 72 years of age.

GOP Women Form Club

A Women's Republican club of Antioch Township was organized when members of the township's GOP Men's club met at the American Legion hall in Antioch Wednesday evening, Oct. 7.

Members of the men's group were asked to bring their wives and all wives were requested to take friends and husbands of their friends to this meeting.

Lloyd W. Bowers and James P. Gorter, chairman and co-chairman respectively, of the United Republican fund of Illinois, were guest speakers.

"These honored guests have given of their time and efforts to make Republicanism a byword throughout the state of Illinois," secretary Ted Kaptain, of the men's group said.

"Attendance at this week's meeting was important so that one day it may be said that 'As Antioch votes,' so votes Lake County, Illinois."

Toy Demonstration

GRASS LAKE—A toy demonstration will be held at the Grass Lake school Thursday evening, Oct. 8, with Mrs. Jane Powell putting it on. Sponsors will be the Grass Lake school PTA.

Sequoits Play Grant Here on Saturday

Local Gridders Draw Praise Of Coaching Staff

Antioch high's gridiron forces will face Grant high of Fox Lake on the local field at 2:30 p. m. Saturday in the annual Homecoming game of the season for the Sequoits. Sophomores will play starting at 12:30.

GURNEE — We (the AHS coaching staff) are very proud of the Antioch high football players who never gave up," head coach Bob Walther said Tuesday in commenting on the Sequoit loss to Warren last Saturday.

Actually, the AHS team got stronger in the fourth quarter and

although the Sequoits were out-gained on the ground, and in the air, the Antioch mentors were more than pleased with the showing.

Warren gained 410 yards and the Sequoits, 256 in the air and on the ground. The home team at Gurnee won the Northwest Suburban conference encounter 27-20.

Walther said this week he thinks the coaches have found a new punter in the person of guard Lance Keisler. Keisler in the Warren game punted three times for an average of 41.7 yards per kick.

Considering the wet field and ball, that average is considered good.

THE SEQUOITS have been hit by injuries and colds this week and due to lack of depth on the Antioch high squad, the local gridders probably will not scrimmage for the game with Grant here on Saturday.

Statistically speaking in the three games played to date, Don

Pyles leads the local ground gainers with 232 yards gained and 34 lost in 31 carries, for an average of 6.4 yards per carry.

Jack Thompson carried the ball 13 times for a net gain of 43 yards and a 3.3 yard average per carry.

Dick Wolf has packed the leather 26 times for a net gain of 48 yards and a 3.3 yard average.

Dick Gudgeon has carried the pigskin five times for a net gain of 30 yards and a 6.00 average per carry.

IN THE three games the Sequoits have massed a total of 47 points to 42 for the foes. The Antioch youths have downed Wilmet 20-13 and dumped Lake Forest 7-2 before losing to Warren.

Antioch's aerial attack in the second half was led by Dick Wolf at quarterback and Pyles and Gudgeon at the halfback slots. Thompson entered the touchdown making picture on a forward-lateral play. However, the Warren Blue Devils were never behind in the scoring after taking a 7-0 lead in the first quarter.

The Sequoits shone in the game's aerial drives with 85 yards gained on seven pass completions in 14 attempts. Warren completed one forward in three attempts for 31 yards and one was intercepted.

Late in the opening period with Warren ahead 7-0, Antioch scored its first touchdown on a 65 yard play in which Gudgeon knifed through tackle for 25 yards and then lateraled to Wolf for the remaining 40. The point try was wide and Warren still led 7-6.

ATHS GRIDDERS drove 46 yards to the Warren 21 before losing the ball on downs and after being slowed by a penalty.

A pass intercepted, followed by a pass interference penalty, set up the Sequoits on the Warren 10 midway in the third quarter. Thompson eventually scored on a forward-lateral involving Gudgeon and Wolf.

Pyles added the extra point and the score was 20-13.

After the Blue Devils had tallied their final touchdown in the third stanza, Martin recovered a Warren fumble deep in Antioch terri-

tory and set the stage for the final Sequoit drive.

Antioch gridders Pyles and Gudgeon combined in the final 25 yards with the former taking a pass from Gudgeon in the end zone. Pyles passed to Eberman for the extra point and the score was 27-20.

Grade Schools Play Football

Something new in football conferences has been organized in western Lake county.

This one involves five grade schools of about the same student "population" who are playing tough football with seven "men" to a team.

Schools entered in a conference that is likely to go through the basketball season as well, are Emmons, Lotus, St. Peter's of Spring Grove, English Prairie and Spring Grove.

Last week the Emmons team scored a 20-6 victory over Spring Grove on the Emmons field. Scoring for the victors were William Alm with two touchdowns and Larry Sullivan who scored one.

Alm also led the Emmons passing attack and made two extra points.

In other games through last weekend St. Peter's downed Spring Grove 6-0, English Prairie dumped Lotus 13-12, St. Peter's stopped Lotus 18-6.

The rest of the football schedule includes:

Oct. 7—Spring Grove at English Prairie.

Oct. 8—Emmons at St. Peter's (Spring Grove).

Oct. 14—St. Peter's at English Prairie.

Oct. 15—English Prairie at Emmons.

Games begin about 3:30 p.m.

Bowling

Ten-Pin Topplers

Tuesday, Sept. 29

Old Orchard Inn had high team series, bowling games of 844-733-692 for a total of 2269.

High individual scorer was Jo Ann Quilty, with games of 221-164-153-538 total.

Herron's Mink took two games from Gibbs & Jensen. Adolph's beat Tuttle Mink all three games.

Sexauer's beat Spring Valley all three games.

Joe & Helen's took two games from Art's Paint Store.

Old Orchard beat George's Bar all three games.

Van Patten's won two games from Lakes Co. ***

Moose Mixed League

Tuesday, Sept. 27

Mitey Mites beat Antlers all three games.

Central Rated Underdog Despite 39-0 Victory Over Clinton High

SALEM, Wis.—Central high of Salem is expected to be the underdog Friday evening against Waterford despite the 30-0 victory the Falcons posted over the Clinton high gridders on the Salem field last week.

Game time Friday night will be 8 o'clock with big homecoming events planned as part of the day and evening events.

Salem took over the ball in the first quarter on the Clinton 32, Jeff Grumbeck in two plays went to the 8 and on the next try Gene Shulz

scouted off tackle for the touchdown.

Fred Lantz' try for the extra point was good and Central led 7-0.

From the Clinton 19 in the second stanza, Grumbeck in two trips went to the 6 and Jim Urban scored.

Andy Aguero added the extra point.

BILL MURRIE recovered a Clinton fumble on the visitors' 35 in the same quarter. Grumbeck drove to the 25, Aguero to the 17 and Shulz to the 4 before Lantz on two "sneaks" scored. The point try failed.

Later in the same stanza Gary Clausen recovered a fumble on the Clinton 32 and on the first play Bill Murrie passed to Len Krawczyk to the visitors' 10.

After an incomplete pass, sophomore John Lentz in two sneak plays scored. Fred Lentz added the extra point. Salem led 27-0 as the half whistle sounded.

Clinton fumbled on its own 27 in the third quarter. Grumbeck went to the 17 and Urban scored the touchdown. The point try was no good.

Final score for the Falcons came in the final period when after a 60 yard march, John Lentz went 15 yards for the score. The try for the point was no good and the Falcons led 39-0.

SALEM LED in every department of the game with 14 first downs to 1 for Clinton, 250 yards rushing to 2 for the visitors and 72 yards in passing to 3 for the Clinton gridders.

Tavern League

Monday, Oct. 5

Kemp's had high team series with games of 935-918-817-2870.

R. Geary was high individual scorer, bowling games of 207-191-172-570.

Red Arrow beat Brass Ball Corners two games.

John's State Line Inn beat Antioch Bowl all three games.

Vos Liquors beat Open Door all three games.

Pasadena won two games from Cole's Tavern.

Kemp's beat Joe & Helen's all three games.

Bussie's won two games from Bud's.

Grant Loses To Grayslake

By Jim Glendinning
Grant High Sports Reporter

FOX LAKE—In a game rated as a toss up by the experts before it was played, Grayslake high school's Rams defeated Grant High's Bulldogs 6-0 in a Northwest Suburban conference game at Fox Lake Saturday evening.

Weatherwise it was a perfect night for football and as the score would indicate, a hard fought battle resulted. Neither side had a distinct advantage and neither could put on a sustained drive.

The only score came in the opening quarter when Grayslake line-backer Bob Evans picked up a Grant high fumble and ran 35 yards for a touchdown. A placekick try for the extra point was wide.

It was rumored before the game that the Rams would consider the 1959 season complete if they defeated the Bulldogs.

Well, let it be complete. The Rams can test now.

Let's go, you Bulldogs—beat Antioch! Antioch high and Grant meet in a conference game at 2:30 Saturday afternoon at Antioch, with a preliminary contest between sophomore teams of the two schools billed for 12:30 p.m.

The sophomore game last Saturday evening at the Grant high field saw Grayslake run into little trouble in winning 33-0.

Modified Cars Race Sunday

WAUKEGAN—Because the 20th modified stock car racing program of the 1959 season was washed out last Sunday, track manager Mike Kaishian has rescheduled the event for Sunday night, Oct. 11.

In addition to the added mud race that was originally planned, a 50 lap grand championship feature race for the modified stocks will also be held.

Time trials begin at 7:15, Illinois time, with the first race starting at 8:30.

For Wisconsin residents, the trials begin at 6:15 and the races at 7:30.

Promoter John Kaishian is expecting a field of some 50 cars and drivers to participate, headed by six time winner, Miles Melius of Slinger, Wis.

Melius, who has competed in only 10 of the 19 race events held, ranks fourth in the season point race, but is expected to overhaul either second or third spot Sunday.

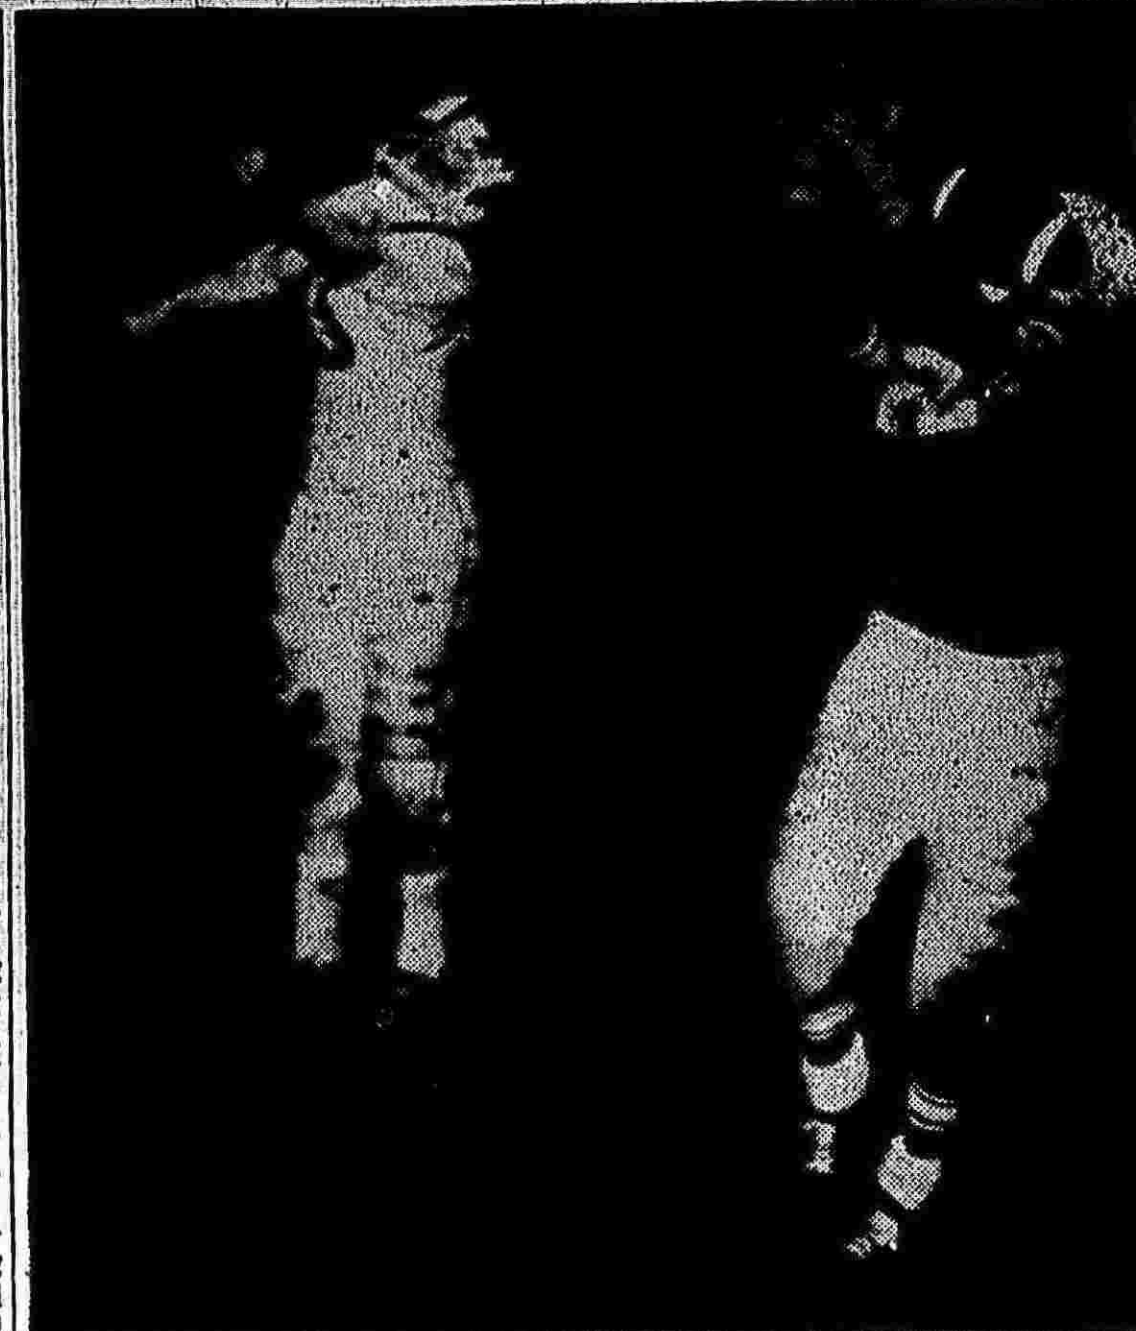

The popular mud race will be held, immediately following the feature event.

The event consists of strictly stock autos competing on a wet and slippery track which will be completely soaked down following the feature. Kaishian will also hold another race for the amateur spectator drivers.

The Speedway is located on West Washington street, between Green Bay road and the Skokie highway.

A PROUD CREW that helped bring first place to the "Nitemore" in three hours of boat racing at Fox Lake Sunday afternoon are shown here after the competition was completed. This picture shows the pit crew and the driver of the boat, Vince Weishaupt (second from left). Others shown are, from left standing, Dave Weishaupt, Glenn Bresina and Dan Edstrom. Kneeling in front is Art Bresina. They are holding trophies won by the crew, driver and boat. (Tom Steiskal photo)

PASS JUST MISSES. Chip Eberman (right) of Antioch Township high school football team is shown in the end zone just missing a pass thrown by a teammate in the Northwest Suburban league contest with Warren high school last Saturday evening. A Warren high player apparently missed the pigskin and it slid past Eberman's outstretched arms to fall incomplete. Warren won the conference get together to pin on AHS gridders their first defeat of the 1959 season. (Warren Polley photo)

Scouts Enjoy Hike, Camp Near Wilmot

(Contributed by Boy Scouts)
Boy Scout troop 92 enjoyed a camping trip complete with 26 pound packs and bed rolls at Wilmot, Wis., recently with the distance being covered both ways on foot.

The boys left about 7 p. m. on a Friday and came back Sunday afternoon. There was no tentage used in the camp.

The scouts started from Jim Horton's house. When they arrived at Tom Haley's, then headed for the old Soo spur line rail bed which hauled ice from Lake Catherine and gravel from the old Buckley gravel pit in Wilmot.

First obstacle in the boys' path was the channel from the lakes.

After talking it over, the boys decided to wade across so off came shoes, socks and pants.

On the first trip over, the shoes and pants made the crossing. Then the boys came back and placing packs on their heads, proceeded back over the creek. The water was about 2 1/2 feet deep.

The scouts crossed three more creeks on planks and wooden railroad ties and such. The rain and darkness made it a hike to be remembered.

Those present were Clem Haley, Pat Mongan, Bob Lange, Anthony Badame, Joel Matusek, Eddy Haley, Jay Bruski, Jim Hanson, Tom Wykownacke, Jim Dobson, Chuck Groeninger.

Others were Bill Groeninger, Neal Taylor, Robert Leksich, Greg Leksich, Jim Edwards, Bernie Smith, Don Strang, Jerry Haley, Jim Barnstable, Frank Szymanski and Jim Gels.

Leaders were Robert Taylor, committeeman; Lowell Gels, camping chairman; Clarence Groeninger, assistant scoutmaster; Mike Haley, assistant scoutmaster; Tom Haley, committeeman.

The boys and leaders expressed their thanks to the Merry-Go-Round bakery for all their baked goods.

Community Club At Salem High Schedules Meet

SALEM, Wis.—The first meeting of the Salem Central High School Community club is scheduled for Monday evening, Oct. 19.

An interesting evening is promised and refreshments will be served.

The following program will be presented:

Boy's State report—Gene Schultz and Gary Dix; Girl's State report—Louise Cook and Sharon Herda.

Report on Summer music clinic—Charlene Harris and Diane Hansen; Film, "Lots for Sale," which deals with the effect of urbanization on a rural community—presented by C. Erickson, superintendent of High school.

Present officers of the Community Club are:

President, Mrs. James Day; vice-president, A. Cook; secretary, Mrs. E. Schaeften; treasurer, Mrs. R. Thomey.

New members of the board of directors are Mrs. Ruby Schultz, Alden Davis, Mrs. Milwood Bloss, Mrs. Viggo Schaeffer, Mrs. H. Foulke, Mrs. Sam Kempf.

Other members of the board are: Ernest Wiedman, Mrs. Leroy DeBell, Charles Sabin, Mrs. Dick Luke, Mrs. Lyle DeVuyst, Jasper McCormick, Mrs. Morris Bagon.

Milwaukee Firm Low Road Bidder

KENOSHA—Apparent low bidder on paving 3.6 miles of county trunk 4 between U. S. highway 45 and state highway 75 in Kenosha county was White Construction Co. of Milwaukee with a proposal of \$66,843.

Others submitting bids were Reliance Construction, Streets and Roads Construction Co. and H. Turner & Son.

Grading on trunk K which has been under way for some months is nearing completion. Kenosha county highway commissioner Harold H. Herzog said the road is passable under favorable weather conditions.

He warned against any unnecessary use of the route until loose gravel has an opportunity to settle. Paving of the county trunk K is expected to start as soon as weather permits, probably in May or June. The county route lies near Bong air force base.

Mrs. Joe Mergener, Merrillian, Wis., Mrs. Pearl Leiting, Crystal Lake, Ill., spent a recent Sunday afternoon with Mr. and Mrs. Clyde Cates.

Mr. and Mrs. Floyd Gyger, Jr., and family spent a week-end at Lily, Wis.

Mr. and Mrs. Clarence Cramer and family, Sandra St. John, Buffalo Grove, Ill., visited Sunday with Mr. and Mrs. Floyd Gyger, Sr.

Mr. and Mrs. Donald Wienke, Lon and Brian, were Sunday guests of Mr. and Mrs. Herman Frank.

Leroy Gyger has entered the navy and is stationed at Great Lakes.

Mr. and Mrs. Herman Frank called on Mr. and Mrs. Lyle Mecklenburg at English Prairie recently.

Mr. and Mrs. George Clark and Billy, Homer Clark, Wilmette, Ill., spent an afternoon at the Schubert-Albrecht home.

Mrs. Frances Verhalen and daughter, Lorraine, Mr. and Mrs. William Ehlen, Milwaukee, Mr. and Mrs. Christ Weis, Burlington, visited Thursday afternoon with Mrs. Henry Daniels.

Mr. and Mrs. Alex Schubert attended the wedding reception of Shirley Moeller-Ardell Dworak at Kenosha.

Mr. and Mrs. George Higgins were Saturday dinner guests of Mrs. Clarence Sheen, Bristol.

Mr. and Mrs. Bob Speaker and family, Richmond, Ill., were Sunday afternoon visitors of Mr. and Mrs. Cyril Pacey.

Mrs. Henry Daniels was an evening guest of Mr. and Mrs. Bob Lois, Shorewood terrace, in honor of Danny Lois' confirmation.

Mr. and Mrs. John Ehler and

Square Dance Enjoyed

PADDOCK LAKE—Central high school was the scene of the first county-wide 4-H square dance last Friday evening. The Pikeville Badgers and Progressive Youth 4-H clubs were hosts.

Parents as well as children enjoyed the festivities.

Mabel, Ringwood, Ill., called on Mr. and Mrs. Cyril Pacey recently.

Mrs. Henry Daniels visited with Mr. and Mrs. Cletus Daniels, Lily Lake, Wis., in honor of Jack and Janice's confirmation.

Mrs. Alfred Oetting and Linda, Mr. and Mrs. Frank Zarnstorff, Sr., spent Saturday evening with Mr. and Mrs. Frank Zarnstorff, Jr., Richmond, Ill., in honor of Dennis Zarnstorff's birthday.

Mr. and Mrs. Ervin Rasch, Mr. and Mrs. Glen Pacey visited with Barbara Rasch at Bellin Memorial hospital, Green Bay, Wis.

Mr. and Mrs. Louis Robert, Burlington, were guests of Mr. and Mrs. Norman Roberts in honor of Gail's confirmation. Gary Roberts was train bearer for the Archbishop during the dedication and confirmation at the Holy Name Catholic church, Wilmot, Sunday.

Salem Hi Notes

SALEM, Wis.—A Salem Central student, Gary Lee Dix, is among 10,000 of the highest scorers on the national merit scholarship qualifying test, the nation-wide exam of educational development given in over 14,500 high schools last spring.

These semi-finalists now face another rigorous three-hour examination, the scholarship aptitude test of the college entrance examination board.

This second test will be given in testing centers throughout the United States on Dec. 5, 1959. Those who repeat their high scores on this second test will be finalists in the competition.

As finalists the students will be eligible for scholarship awards sponsored by many business and industrial organizations, professional societies, foundations and individuals.

The MSP is now in its fifth year, and over 1 1/2 million students have been tested in the massive talent hunt.

The competition is open to students in any public, private or parochial high school in the United States and its possessions.

Homecoming Queen

The "Homecoming Queen," Diane Hansen, and her court composed of Gloria Dagen, senior, Mary Lou Whittle, junior, Karen Jensen, sophomore, and Janice Schroeder, freshman, will appear before the assembly at a pep session Friday before the game with Clinton.

Plans are underway for a giant pep session—skits, cheers, speeches—on Friday, Oct. 9, before the Homecoming game.

To further the school spirit, the "C" club is selling booster buttons.

Interest in the science fair to be held next spring is beginning to skyrocket.

Young Peoples Group Hears U of W Prof.

BRISTOL, Wis.—Bruce Cartter, associate professor of agriculture extension, University of Wisconsin, addressed the young men and women's group at a meeting Sunday, Oct. 4 at the Kenosha County Conservation club on county trunk AH east of 83.

Cartter spoke on "Activities of the Young Men and Women's Groups Throughout Wisconsin."

Plans were formulated for the club's scholarship dance, which will take place on Saturday, Dec. 5.

Refreshment committee included Mr. and Mrs. Brian Beth, Mr. and Mrs. Bob Pringle, Mr. and Mrs. Frank Andrekus, Alice Stadler and Edna Kasten.

Salem Girl Candidate

SALEM, Wis.—Darlene Schultz of Salem is a candidate for the honor of being "Connie Co-op" in a contest sponsored by the Burlington, Wis., Consumers Cooperative.

Customers at various stores are casting votes for their favorites among eight candidates, including the Salem miss.

Christmas Workshops Planned By Council

BRISTOL, Wis.—Four Christmas idea workshops will be sponsored by the Kenosha home demonstration group and a Christmas fair is planned for Thursday, Nov. 5, at Salem Central high school.

Mrs. Paul Jaeger is chairman of the Christmas fair which will feature talks by Doris Eckstein, county home agent, and Natalie Leonardson, home economist of Burlington.

The idea workshops are designed to provide opportunities for county home maker council members to make items to take home.

Donna Leet of Somers has been named recipient of the council's first home economics scholarship. She will receive it when she enrolls as a sophomore in a home economics school.

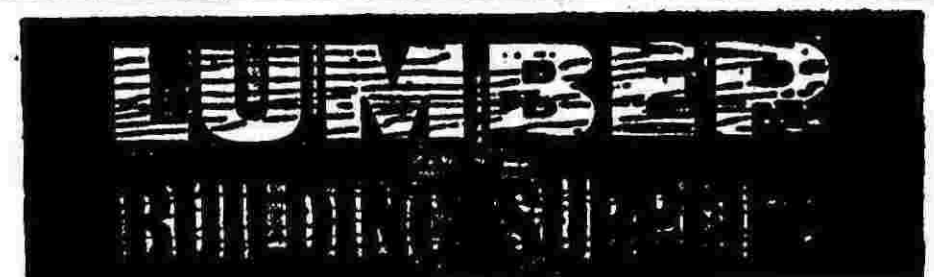

New county officers installed by Mrs. Guy Edwards of Woodworth were Mrs. John Hilbert, Salem, president; Mrs. James Walda, Bristol, treasurer, and Mrs. Keith Kuehn, Kenosha, secretary; Mrs. Richard Rowe, Union Grove, and Mrs. Rodell Schenning, Burlington, center chairmen.

Another fresh one...from Pontiac!

The 1960 Catalina Convertible

You find it attractive because of the simplicity of lines, the absence of over-design.

You're drawn to its crisp freedom, its perfect form, its exhilarating freshness.

You'll find it amiably obedient because of Wide-Track Wheels and a thoroughly new suspension system. Wide-Track firms the foundation, stabilizes, balances. A softer suspension makes it responsive, quick and easy to take direction.

Pontiac's Tempest engines for 1960 are more

vigorous than ever. You have a wide choice of V-8 power packages, ranging from the high performance 425 to the economical 425E which prefers regular grade gasoline.

The car, the keys, the catalog, the courtesy—all await you at your Pontiac dealer.

Wide-Track Wheels give you awayless stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.

Pack 92 Scouts Receive Awards, Leaders Honored At Recent Meet

New leaders of Cub Scout pack 92 were introduced and former leaders were thanked for their work when the pack held its first meeting recently with the new cubmaster, Joseph Hellstern, in charge.

Hellstern, who had been assistant cubmaster, started the meeting by introducing and thanking people who had given their service to the Cub Scout organization.

They included Lee Ipsen, who had been cubmaster and had given five years of service in many capacities; Gert Ipsen, five years as den mother; Rosemary Eckert, five years as den mother and secretary.

Others were Ramona Crandall, three years as den mother and during her last year was treasurer; Ruby Horton, one year as den mother, and Kenneth Sheldon, one year as committeeman.

These people are retiring as Cub Scout leaders this year.

HELLSTERN THEN introduced James Carlson and William Murphy as new committeemen and Dick Stroner as institutional representative from the pack's sponsor, the Moose lodge.

Stroner will also be an assistant in Webelos den.

The new secretary-treasurer is Millie Stroner. There will be two new den mothers, Norma Murphy and Eleanor Schroeder.

Wolf awards went to Steve Strang and John Liddle, bear awards to Bruce Muir, Fred Gras and Richard Stroner and lion awards to Eddie Fox, Don Zeman, Phillip Delaney, Billy Sheldon, Russell Schroeder, Randy Miller, Donald Strang and Douglas Hellstern.

A dinner stripe was awarded to Randy Miller and an assistant dinner stripe went to Pat Hofkamp.

Three special awards were made to members of the Webelos den for a home service project. First prize went to Douglas Hellstern, second to Donald Strang and third to Steve Henning.

DURING THE summer a letter was compiled and sent to each parent informing them what would be expected of them in the form of some service they were asked to give to the organization while their sons were in the Cub Scouts.

The committee that was chosen to handle the picnic in July included Mr. Dost, Ray and Roy Zeman.

John Horton, Homer White and John Liddle. They were complimented on the work they did.

Parents were asked to visit craft tables during the meeting to see what is accomplished during meetings.

Everyone planning to attend the October pack meeting was asked to come in costume. It will be held on Oct. 22.

Webelos campout will be held Oct. 24 unless otherwise notified.

4-H Educational Award Provided By Railroad

A \$100 educational award will be given to a deserving 4-H'er this fall, enabling him or her to attend the National 4-H club congress in Chicago Nov. 29-Dec. 3.

The winner will be selected by the state 4-H club office, extension service, University of Illinois.

This award is one of 18 provided annually by the Illinois Central railroad to club members residing in the six-state area which it serves.

The IC has supported 4-H for 37 years.

The interested Antioch cheerleaders watch as the Red and Gray fight to win. The girls are left to right, June Dressel, Judy Smith, Lynne Veenenmeyer, Jan Duha, Sue Duha and Sharon Dittman. (Tom Tom Photo)

Name William Dressel To College Play Cast

MOUNT VERNON, Iowa—William Dressel of Rural Route 3, Antioch, Ill., was named recently to the homecoming play at Cornell college, Mount Vernon, Iowa.

He will act in George Kelley's comedy, "The Show Off" to be presented Oct. 16 and 17.

Dressel, a freshman student, is son of Mr. and Mrs. Clarence Dressel of R. R. 3, Antioch.

Antioch Methodist Church 80th Anniversary History

Old Baptist Church in which first Methodist meetings were held. It was purchased in 1886 by the Antioch Methodist congregation. It was the House of Worship for 40 years. It occupied a site just in back of the present church which was built in 1901 to replace the old church.

The story of Methodism in Antioch, Illinois covers a period of eighty years. To tell this story, which is such a vital part of our history, one would have to begin with A. J. Bell, an evangelist, who conducted special meetings in an old Baptist church that had long been unoccupied. Much of the success of these special meetings can be traced to Amasa Burnett, a duly appointed class leader. An interesting statement about these meetings is made in the historical record; namely, "The first invitation given for seekers to come to the Mercy Seat was responded to by a Mrs. Wray, an aged woman; and Mrs. Addie Williams, then the mother of two small children one of which was often in her arms at these meetings." Through the efforts of Amasa Burnett, a Methodist Church of about forty members was organized in November, 1879. W. F. Atchison was appointed as the pastor.

The story of any church can not be told accurately if the story of its organizations is ignored. A Methodist Sunday School was organized in 1879 by A. J. Bell with Henry Rector as superintendent. In 1883, Mrs. Edwin Brown organized the first juvenile society of the church which was called, "The Band of Hope". In 1880, the ladies of the church met at the home of Mrs. D. A. Williams and organized the Ladies Aid Society. At present our church is organized with a Sunday School, The Woman's Society of Christian Service, four afternoon women's circles, two evening women's circles, Methodist Men's Club, Methodist Youth Fellowship, The Official Board, and the Adult Choir.

It was during the pastorate of Rev. A. N. Simmons that the church property was purchased in 1886 from the Baptist Society for a consideration of \$400, the money to be used in repairing the old church. The present church building was constructed during the pastorate of Rev. E. J. Aiken who came to Antioch in 1899. After the old church had stood forty years, it was decided on January 19, 1901, to build a new church. On February 7, 1901, Trumbell and Jones of Elgin were employed to draw plans and specifications for a brick veneer church building not to cost more than \$5500.00. Prominent features in the church sanctuary are the stained glass windows. One of the large windows was placed in the church by the G.A.R. In the top of the window is the G.A.R. badge and below this two folded flags. In the center is the design "Christ Knocking At The Door". This design is taken from the picture by Holman Hunt. The other large window is the gift from the Epworth League. This window has as its main design, "Christ in Gethsemane". There are also memorial windows to Mr. and Mrs. W. H. Ring and Mrs. Carrie Spafford. The Service of Dedication for the new church was held on Sunday, November 24th, 1901. The Presiding Elder, Dr. C. E. Mandeville, was the speaker at this service.

The first parsonage was purchased during the pastorate of Rev. C. W. Cleworth in 1905. The parsonage was occupied by seven pastors and their families from 1905-1926. At that time it was felt that the parsonage should be rebuilt or remodeled. In 1926, under the able leadership of Rev. E. Lester Stanton, the work was started. The plans were drawn and estimates received. Through the efforts of Mrs. Drucilla Ferris and her co-workers the plans were completed. This parsonage was located on Lake Street on the site where Ray's Shell Service now operates. This parsonage was sold in February, 1955, and the present parsonage located at 586 Parkway was acquired in May, 1955 during the pastorate of Rev. Howard Benson.

One of the most significant projects undertaken by the congregation during its eighty year history was the construction of the Educational Unit which is known as Wesley Hall. It was during the pastorate of Rev. Richard Tuttle that plans were discussed as early as 1948 for the erection of an educational unit. Under Rev. Richard Tuttle's leadership, a finance campaign was conducted for this project in the Fall and Winter of 1950-1951. It was in June 1951 that ground was broken for the new educational unit. The new unit was partially finished and ready for use in November, 1951. The Wesley Hall addition was completely finished and decorated during the pastorate of Rev. Howard C. Benson.

This sketch of our history must have a conclusion, but the conclusion does not mean the story has ended. The story began eighty years ago when this church had its origin in the religious devotion of its earliest leaders who were inspired by Jesus Christ our Lord. The story of this church will continue to be written as long as the people of this church manifest their religious devotion to Jesus Christ. May God grant to us the determination to be true to our heritage of the past, and may our devotion to Jesus Christ and The Church Universal never cease.

Directory Of Oldest Members

The following persons have been members of the Antioch Methodist Church for a period of 35 years or more. These persons will be recognized at the Anniversary Dinner to be held in Wesley Hall on Thursday, October 8, 1959 at 6:30 P.M.

Volunteer Workers Sought By County Cancer Society

By Mrs. W. P. Galbraith
Lake County Cancer Society
So many times the mention of the words "American Cancer Society" brings to the minds of its hearers only the thought of money or giving money.

Where the money goes most of us do not even stop to wonder about. We have a vague idea that it is used for research somewhere.

But the money which the many volunteers work so hard to collect in the "Cancer Crusade" each year does not all go for research.

The American Cancer society also gives other services than just providing the funds necessary for research.

The goal of the service program of the Lake County chapter of the society located at 2 N. Genesee street in Waukegan, is to relieve or minimize suffering from cancer.

THERE ARE 13 cancer dressings units in Lake county who make and distribute without charge any size dressings and bed pads, hospital gowns and colostomy girdles, to cancer patients being cared for at home.

At the cancer office there is a loan closet which provides home patients with essential sick-room articles not ordinarily found in the home, such as hospital beds, wheel chairs, walkers, basins, bed pans, bedside tables and a baby crib.

Transportation from home to the

nearest hospital where medical treatment is available is provided by volunteer drivers using their own cars.

Also available without charge is visiting nurse service providing nursing care for cancer patients in the home.

The society carries on a year-round public education program to inform and persuade all the people of Lake county to safeguard their own lives by having periodic health examinations and by going to their doctor at the first recognition of a possible cancer danger signal.

THIS PROGRAM makes available educational films to high schools, clubs, unions, companies or groups of any size, provides doctor speakers to inform and answer questions, prepares exhibits, distributes publications and literature, prepares

broadcasts and newspaper articles. (All provided without charge.)

If it were not for the many volunteers, it would not be possible for Lake county chapter of the American Cancer society to carry on these service programs.

But more volunteers are always needed, not only for the work mentioned above, but for typing or work which can be done at home, and for work on the Cancer crusade next April.

If anyone is interested in volunteering for any aspect of the Cancer society's program, they may contact the Lake county office, DE 6-9293, or the Antioch educational chairman, Mrs. Roman Vos, 801 North Main st., Antioch 621, the Antioch dressings unit chairman, Mrs. C. F. Spiering, Rt. 45, Antioch 58-J2, or the transportation chairman, Mrs. Donald P. Welles, 361 N. Ahwahnee rd., Lake Forest, phone L. F. 259.

Education chairman for Lake county is Mrs. G. E. Rachtmann of Libertyville and county service chairman is Mrs. Charles Patterson of Waukegan.

The Impala 2-Door Sport Coupe

SEE IT NOW AND SEE ALL THESE

new and different things IN THE 1960 Chevy!

new!

easy loading
luggage compartment

New convenience has been built into Chevy's big, vacation-sized luggage compartment by lowering the loading height.

NEW
spaciousness inside

Inside you'll find room and more room. There's room to sprawl in, room to sit tall in—and the roofline has a respect for hats. A new flatter transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

THRIFTIER

!!!new!!!

V8 POWER

Under the hood thrift is accented in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6—the engine that starts saving the moment you flip the ignition switch.

NEW QUIET
AND COMFORT

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil hushed hydraulic

valve lifters reduce engine noise to a whisper.

NEW!

refinements
for the driver

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

NEAREST TO PERFECTION A LOW-PRICED CAR EVER CAME!

Catholic Mission Will Open Oct. 11 At St. Peter's Church In Antioch

Rev. Father Remigius O.F.M. of the Franciscan Mission band, Burlington, Wis., will conduct a mission opening Oct. 11 and closing Oct. 17 at St. Peter's church.

Rev. Alfred J. Henderson, pastor of the parish, is sponsoring the mission.

It is the wish of Father Henderson that every Catholic in the parish attend the mission.

All others who are interested in the teaching and practices of the Roman Catholic church are invited.

A mission is a course of spiritual exercises conducted by especially trained missionaries.

During these exercises, prayerful consideration is given to the great truths of eternity, to the duties and obligations of those who the church says would be followers of Christ.

Object of the mission, according to Father Henderson, is to help the fervent become more fervent, to bring souls back to God, to help the weak, to raise the fallen, to convert the sinner.

In a word, to strengthen all in virtue and bring upon all the blessings of God. Above all, a mission is for those who are satisfied with themselves.

Father Henderson hopes that his parishioners will spread news about the mission and pray for the success of it.

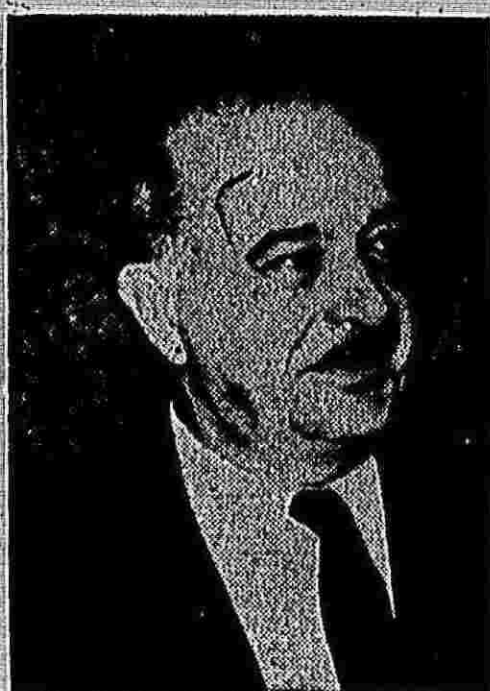

Services will commence at 7:45 p. m. on Sunday, Oct. 11.

Masses during the mission will be at 6:30 and 8. Both masses will be in the church and will be followed by a short instruction.

Educators Attend

SPRINGFIELD — Among those scheduled to attend the Illinois Secondary School principals, the Illinois High School association and North Central association meetings here this week were:

A. L. Dittman and Warren Polley of Antioch Township high school and Wade Eberly of Grant Community high school, Fox Lake.

HARRY J. HEMINGWAY (shown above) has been named state crusade chairman for 1960 of the Illinois division of the American Cancer society. He was head of the Chicago business division in 1959. Mr. Hemingway is president of the Sessions Engineering company of Chicago. Last year's record breaking state crusade total is \$1,714,450 or 104 per cent of the Illinois state goal.

Film Masterpieces Showing Scheduled

LAKE FOREST — Three film masterpieces will be shown at Lake Forest college this fall as part of the College-Community program.

Antioch residents are invited to attend the series, sponsored by the student film committee, which will open Oct. 11, with a showing of "Grapes of Wrath," the 1940 screen classic based on John Steinbeck's novel.

The academy award winning film which stars Henry Fonda and Jane Darwell was directed by John Ford.

A short feature, "On Wings of Song," starring the Vienna choir boys, also will be a part of the opening program.

The films will be shown in Durand Institute, north campus, on Sunday evenings at 8 p. m.

The schedule includes "Confessions of Felix Krull," a 1957 German film based on Thomas Mann's novel, on Nov. 15; and "Blood of a Poet," a 1931 French surrealist film, on Dec. 13.

The cost of discovering America was about \$14,000—the price of fitting out the three ships of Columbus.

**Better Your Home to
Better Your Living**

**Lake Villa Folk
Attend Meeting
Of 'Neighbors'**

By Mrs. Fred Bartlett
Lake Villa Correspondent
LAKE VILLA—The Royal Neighbors held their convention in Highland Park Wednesday with the following from Lake Villa attending: Bertha Fish, Edna Botts, Helen Fish, June Lett, Gerri Polson and Erna Toft.

The Lake Villa Woman's club will meet Wednesday, Oct. 14, at the village hall with the meeting starting at 8 p. m. A demonstration on ceramics will be given.

Chris Anderson has been ill at his home for a few days with the flu. Mr. and Mrs. Willard Schneider are enjoying a vacation at Loon Lake, Hayward, Wis.

Mr. and Mrs. Loren Botts and family of Dundee were visitors recently at the home of Mr. and Mrs. Joseph Botts.

The Prince of Peace Altar and Rosary society will sponsor a style show on Tuesday, Oct. 27, at the Prince of Peace school on Route 21 and Grand Ave. Styles will be shown by Hein's store of Waukegan.

Mr. and Mrs. Lloyd Duffy of Dixon called on several friends in Lake Villa Tuesday.

Mr. and Mrs. Raymond Bartlett and family were visitors Tuesday at the home of Mr. and Mrs. Fred Bartlett, Sr.

Next regular meeting of the Royal Neighbors of Cedar Lake camp will be held Tuesday, Oct. 13, at the village hall, meeting to start at 8 p. m.

Plans are being made for a public card party to be given by the Royal Neighbors with all proceeds to go to the new hospital.

Mrs. Evelyn Killough and family visited relatives in Waukegan Saturday.

A toy demonstration was given at the VFW hall Wednesday, Oct. 7, at 7:30 p. m. Proceeds will be used for the Kadette drill team.

Patricia Dahm of Petite Lake Highlands and Kenneth Krueger of Forest Drive, Petite Lake, were united in marriage Saturday, Oct. 3, at the Faith Lutheran church of Antioch. Pastor Otto conducted the service.

A reception was held at the VFW hall in Lake Villa. After a honeymoon in the Smokey Mountains, Ga., the couple will reside in Chicago for the time being.

Mr. and Mrs. Arthur Nelson of Lake Forest, Mr. and Mrs. Lloyd Repke and family of Ringwood and Mrs. Jack Rhodes and son, Kerry, of Lake Villa, were visitors Sunday at the home of Mrs. Ann Nelson.

**Bells Will Remind
Voters on Saturday**

Antioch's Lions club will inaugurate a "Liberty Bell" program during Antioch Township high school bond election day Saturday with the ringing of church bells in the community every hour on the hour.

These bells will remind the citizens to exercise their voting franchise, leaders said.

Officers are attempting to arrange for similar bell ringing in Lake Villa and Lindenhurst that day.

Polls will be open at the present high school building in Antioch, at the Lake Villa grade school and at the B. J. Hooper grade school at Lindenhurst from noon to 8 p. m. Saturday, Oct. 10.

The Moslems became great map makers because of their religion. They had to know exactly in what direction they were from Mecca so that they could face that holy city while praying.

Hi School Paper Makes A Debut

First issue of the Antioch Township high school monthly newspaper, "Tom-Tom", appeared this week Monday.

Printed in tabloid form by the Gaston Printing Co. which publishes The Antioch News, the school paper this month has four pages.

A wide variety of news is featured from sports through club news, stories about new teachers, the Homecoming, the new language lab, a feature, PTA and class news.

Three sports pictures and one of the group in charge of the Homecoming doings are included.

Twenty-three Antioch businessmen have advertisements in the paper.

Co-editors this school year are Dani Strattan and Karen Lightsey.

Marie Jasien is news editor, Joanne Masek is photography editor, Dick Gudgeon and Joe Etten are sports editors, Terry Ptack is business manager, Pat Papiese is circulation manager and Miss Cleo Hueber, adviser.

Reporters are Carol Arndt, Cindy Brenna, Lucy Carrick, Don Conrad, Barbara Gutowski, Ellen Homan, Camella Jarvis, Lynn Kapell, Kay Knigge, Carol Larsen, Julie Libert, Julia Lightsey, Suzi Owens, Judy Wohlfel and Barbara Young.

Last school year the "Tom-Tom" was published as part of the Antioch News but this year the school paper is printed separately.

Workers Needed At VA Hospital

DOWNEY—Need of social workers, trained practical nurses, nursing attendants, laundry workers and clerk typists was announced this week by the Veterans Administration hospital at Downey.

Trained practical nurses would have a beginning salary of \$3495 a year, while successful applicants for male nursing assistants would be paid \$3255 per annum.

Washman extractor foreman would receive \$2.04 an hour and male laundry workers would start at \$1.21 per hour. The foreman must have two years of laundry and supervisory experience.

The clerk-typist position pays \$3255 per annum and includes hours of duty on a rotating basis paying additional night differential when employed after 6 p. m. The position is in the nursing service.

Applicants for social worker positions must have a master's degree in social work. Positions pay beginning salaries of \$4,980 per year, \$5,985 or \$6,505 per year depending upon the applicant's qualifications.

Interested applicants may obtain further information by contacting the personnel office, building 3, VA hospital, Downey, or by phoning Ontario 2-1900, extension 425, Monday through Friday.

Local People Injured In Two Car Accident

A collision between two vehicles driven by Antioch residents resulted in injuries to three local people last Friday morning in Waukegan.

Mrs. Isabel Grunow, 55, of route 3, Box 179, received an arm injury; her husband, George, 72, was treated for head cuts, and Leslie H. Miller, 31, of route 2, box 216, was treated for a fractured nose and cuts.

Grunow, the driver of one of the vehicles, was charged with failure to yield the right of way. Miller operated the other auto.

If you want to sell — phone 43 or 44 and tell.

PRESENTING FOR 1960... BUICK'S ALL-TIME BEST

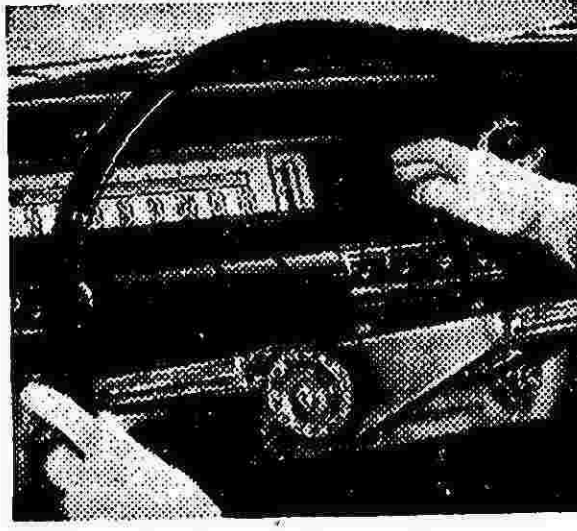

THE TURBINE DRIVE
BUICK '60

A car with major advances in transmission, suspension, brakes, and engines which are Buick's alone today
A solid, substantial car • A car of superb comfort, quiet, reliability • A car you should drive soon

New comfort, quietness, and quality

Doors that open wider — easier to get in and out. Family-size interior. Seats that are higher, more deeply cushioned, and repositioned to provide more room for feet and legs. Perhaps the quietest running car in America due to Buick's high use of insulation and torque-tube drive. Buick's quality control program comes to a peak in the Turbine Drive Buick '60.

New interior decor and convenience

An entirely new "Mirromagic" instrument panel. It lets the driver see speed, gas gauge, and other necessary readings at a glance in a mirror he tilts to suit his own eye level. And a new exclusive safety option — the Twilight Sentinel* — that turns headlights on automatically at sunset... off automatically at sunrise. All-new colors and fabrics. Richer appointments. *At slight extra cost.

Outstanding performance with economy

1. Buick's Exclusive Turbine Drive Transmission† is jet-smooth, responds faster, more economically than ever. No gears ever shift while the car is in motion. 2. Buick's Exclusive Air-Flo Aluminum Drum Brakes — found on no other American car. Fin-cooled drums front and rear for faster cooling. Fast cooling means safer stopping, longer brake life.

Slotted wheels pass a current of air from under the car constantly over the brakes for added cooling efficiency. (Wheels are 15" size which gives you up to 1/3 more tire life.)

3. Buick's exclusive Wildcat Engines give high efficiency with high economy. (An optional new LeSabre Engine is designed to give Buick performance on regular grade fuel.)

†Optional at extra cost on LeSabre, standard on Invicta and Electra.

'Inheritance', New Granddaughter A Sprained Ankle --- 'What's Next?'

By Pearl Kapell
Channel Lake Correspondent

CHANNEL LAKE — The Dale Bartleys of Lake Ave. have just been having one excitement after another lately.

Some good, some bad, but all the sort of thing that keeps a family in turmoil until the persons involved begin to get that "what-will-be-next" feeling.

Mr. Bartley really started it all off by being elected president of Woodcrest subdivision.

We've had very little success in convincing Mrs. Bartley that this is an honored, and enviable, position.

Perhaps the reason we've had so much trouble convincing her of this is that on the surface, the position seems to be mostly characterized by no pay, hard work.

And the fact that you automatically become the recipient of every complaint of every homeowner in the locality.

The next big event was the birth of a granddaughter, Heidi. Heidi is the new daughter of the Bartleys' daughter, Beverly Bain.

How anything so little could cause so much upset is always amazing, but every family knows that though this is a joyous occasion, the unfortunate aftermath of the joy and relief is a pile of washing.

Any genius who discovers a cheap, sanitary and unobtrusive substitute for the diaper, will become immediately the young mother's candidate for president of the United States and winner of the Nobel Prize.

The next incident was really regrettable.

Mrs. Bartley (Ann) sprained her ankle.

I don't know the details of how this happened—where was it, Ann?—but it was somehow all mixed up with delivering some Italian spaghetti to someone.

And she didn't even spill the spaghetti sauce. To have Ann laid

up would be unthinkable. She is the person who brought civilization to Channel Lake in the form of a beauty parlor.

SINCE HER SHOP opened, many husbands have noticed that wives who formerly found it quite possible to wash and set their own hair, are suddenly afflicted with a strange malady which makes it impossible for them to lift their hands high enough to perform this task.

If Ann were laid up, a good share of the feminine population would lose that sleek, well-groomed look.

Last, but not least, the Bartleys came into an inheritance. Upon the death of an aged uncle, they were notified that they were heirs.

Papers had to be notarized, signed and mailed. Much correspondence went back and forth.

Finally, all requirements having been met, they received the money which represented their share—\$16.13.

We hope things will quiet down for the Bartleys now. And that they'll have time to relax and enjoy Heidi—and the \$16.13.

Rinehart To Speak

George R. Rinehart, Lake county editor for a Waukegan newspaper, will be principal speaker Tuesday, Oct. 13, at the dinner-meeting of members of the John T. McCutcheon chapter of Lake County Hoosiers.

This will be held in the new Harry Dolan restaurant, Zion. Rinehart is a native of Bluffton, Ind.

E. North Ave., Antioch, Ill.**

FILLING IN of a soft spot on the Beach Grove road about a quarter mile east of the Immons school was being done when the photographer stopped by to inquire on a recent afternoon. The road was being prepared for possible blacktopping next spring. Dirt was hauled from some distance off to fill in this soft spot and then the grader shown here smoothed out the rough spots. Lotus Woods and Wildwood News

By Jean Wrona
Justice 7-6082

Congratulations to Mr. and Mrs. David Jones of Lotus Woods on their wedding anniversary which they will celebrate on Oct. 11.

The W.S.C.S. of the Spring Grove Methodist church held its regular monthly meeting Sept. 28, at the church house. After a short business meeting presided over by the president, Mrs. Dorothy Johnson, lunch was served by the hostess for the evening, Mrs. Hattie Newberg.

The church's monthly potluck supper will be held on Saturday evening, Oct. 17. Mr. Hoaglund of Wildwood will show pictures taken on his trip to Alaska. Everyone is invited.

Well wishes go to Michael Holcomb who spent a few days in bed with a case of tonsillitis.

Mr. and Mrs. Stanley Kutyna of Wildwood have just returned from a vacation in which they have toured the southern part of our country. They also have stopped at Albany, Ga., to visit Mrs. Kutyna's nephew, Stanley Kocon, who is stationed there with the air corps.

Our deepest sympathy goes to Mr. and Mrs. Arthur Thompson and family in the loss of Mrs. Thompson's father, Ole Nygaard.

It's Girl Scout cookie time!

This week Intermediate Girl Scouts of Lakeside council area are taking orders for cookies to raise money to carry on the scouting program.

Participating will be troops in Antioch, Fox Lake, Grayslake, Ingleside, Lake Villa, Round Lake and Gages Lake-Wildwood.

The cookies will be delivered to purchasers the week of Oct. 25.

So help yourselves to some delicious treats as you help your local Girl Scouts.

Announcing!

A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history,
your Ford Dealer presents not one, not two,
but three new lines of Ford cars...

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!
2. The 1960 Falcon—The New-size Ford, the world's most experienced new car and the easiest car in the world to own!
3. The 1960 Thunderbird... The World's Most Wanted Car!

Introducing the New-Size Ford... the 1960 Ford *Falcon*

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car... powered to pass and climb like a "big" car... and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's... and see the difference!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme! And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance on regular gas. To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful... a Full-Flow oil filter that lets you go 4,000 miles between oil changes... Diamond Lustre Finish that never needs waxing... aluminized mufflers that normally last twice as long as conventional types... new, safer, Truck-Size brakes that are the biggest ever in Ford's history... and new soft-tread, Treadway tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!
